4. Reflect on the experience by writing a journal-style entry about your visit. Do your best to make me feel like I was on the visit with you; use descriptive words, colorful language, and share your own thoughts and feelings about the works. Include the following: Date and time of your visit, who was with you, weather and how the sun/shadows affected the work, consider the landscaping and spaces around the sculpture, how does the scale relate to you as a human or to animals that may interact with it? Include a description of each artwork, what it reminds you of, what you think the artist intended to show, and how it makes you feel.
